Firm's Profile

Summit Advisors Group LLP ("Summit") was established in 2008 by dedicated professionals with deep industry knowledge and experience that have come together to collaborate and lend their extensive know-how to serve every business. Our dedicated professionals are here to provide you with necessary tools and cost effective approach to help you achieve your business objectives with a full range of accounting & tax professional services.

Summit is one of the leading public accounting firms in the NY-NJ-CT Metro Area serving not only U.S. business and individual clients but also U.S. subsidiaries of foreign corporations originated from South Korea, Singapore, and China. By combining our expertise, experience and the team mentality of our staff, we assure that every client receives the close analysis and attention they deserve. Our dedication to high standards and work ethic is the reason our clients have chosen us.

Our Values

Summit provides outstanding service to its clients because of its dedication to the following three principles.

1. Professionalism

By combining our expertise and experience with the energy of our staff, every client receives a close personal and professional attention they deserve. Our high standards, professional service and dedicated staff create the difference between our outstanding performances, in comparison to other firms.

2. Responsiveness

Summit is very responsive to our clients' needs. We promise that we respond to our clients' inquiry and meet their needs within two business days at our best with high attention. Companies who choose our firm rely on a competent and professional advice by dedicated professionals.

Firm's Profile

3. Quality

Summit's reputation reflects the highest standards we demand for ourselves. Our primary goal as a trusted advisor is to provide insightful advice and practical solution to enable our clients to make informed financial decisions. We feel it is extremely important to continually educate ourselves to improve our technical expertise, financial knowledge to better serve our clients.

Summit consists of two partners and currently 2 staff accountants and its daily operations are managed and supervised by Kwang Ho Kim, Partner and Edward M. Ha, Partner. Summit is a peer-reviewed public accounting firm registered with State of New Jersey.
